US Department of Transportation Secretary Ray LaHood Recognizes GSG

Peoria, IL - US Department of Transportation Secretary Ray LaHood, a former congressman from Illinois, recognized GSG Consultants, Inc. for its dedication and exemplary services delivered on a variety of major transportation infrastructure projects. LaHood was the keynote speaker at the DBE Conference co-hosted by Caterpillar and the Illinois Department of Transportation. LaHood said the DBE program helps the economy as a whole rebound, noting that small businesses "are the backbone of the economy", employing a large portion of Illinois' workforce.
